Dr. Eva Ehlich

Partner

German Patent Attorney

European Patent Attorney

Representative before the UPC

Chemist

Eva represents European, US and Japanese companies in the chemical, biochemical and pharmaceutical sectors whom she advises and assists in prosecuting, defending, enforcing and challenging IP rights in Germany, Europe and worldwide. Along with preparing freedom-to-operate and validity analyses she has experience in patent litigation and strategic patent filing, especially in the area of drug delivery, pharmaceuticals and medical uses (small molecules and biologics) as well as in coordinating international patent portfolios and freedom-to-operate strategies. Eva has received numerous recognitions for her professional activities as a patent attorney.

TESTIMONIALS

"Eva Ehlich is a brilliant, highly experienced and dedicated attorney combining an impressive degree of long-sightedness with exceptional attention to the countless details of a case. She gets great results and is also a nice person to work with."

- IAM Patent 1000, 2023

"An extremely safe pair of hands for complex IP issues and top-level portfolio strategy in the pharmaceutical and biotechnology space, Eva Ehlich is commercially and culturally astute and easily grapples with the complexities and politics of larger international projects."

- IAM 300, 2022
